Commented [AS1]: Uwaga: w oryginale całe zdanie *Ukończenie questu wirtualnego* itd. jest błędne gramatycznie i logicznie. Powinno być np.: *Ukończenie questu wirtualnego w danym województwie nie jest podstawą "zaliczenia" danego województwa do wymaganej ich liczby.*

III. Badge Awarding Procedure

- Once the User has met all Rules and Regulations requirements, the fact of such User having earned the Badge shall be confirmed by relevant notification, and by a system-generated code lodged on the User's Account on the www.questy.org.pl website.
- Once the Badge award notification has been issued, any individual concerned shall have the right to acquire the Badge of the respective class. Badges shall be distributed by the *Map of Passions* Foundation office. Information regarding the Badge collecting procedure shall be displayed on the respective User Account on the www.questy.org.pl website.

IV. Final Provisions

- The *Map of Passions* Foundation shall hereby reserve the right to modify the Rules and Regulations for the Badge without any obligation to specify reasons for such modification(s). Any resultant changes shall come into force as of the date of their publication in Rules and Regulations.
